**Product Specification**  
**Petri dish, 92 x 16 mm, transparent, without ventilation cams**

**Page 2**

**Material & colours**

Product material                      Polystyrene (PS)  
Colour of product                      transparent

**Purity & certification**

Product category                      no medical device | IVD  
Latex-free                                yes  
Purity standard                        sterile  
Sterilisation                            Gamma irradiation  
Safety data sheet                      no  
Batched                                 yes

**Packaging**

Minimum order qty.                    480  
Type of inner packaging               tube bag  
Piece(s) / inner box                    480  
Piece(s) / case                         480  
Piece(s) / pallet                        9600  
Depth of case                         584 mm  
Width of case                          387 mm  
Height of case                         360 mm  
Case volume                            0.0814 cbm  
Weight of product                      0.0168 kg  
Weight of case                         9.19 kg  
EAN of inner box                        4038917129312  
EAN case                                4038917022118
