yes

1,5 ml

20000 x g

retaining loop cap

## Material & colours

| Product material       | Polypropylene (PP)            |
|------------------------|-------------------------------|
| Colour of product      | blue                          |
| Closure material       | Polypropylene (PP)            |
| Colour of cap          | blue                          |
| Purity & certification |                               |
| Product category       | In vitrodiagnostic device, CE |
| CE certified           | CE                            |
| Batched                | yes                           |
| Packaging              |                               |
| Minimum order qty.     | 5000                          |
| Type of smallest       | bag                           |
| subpackaging           | 500                           |
| Piece(s) / inner box   | 5000                          |
| Piece (s) / outer case | 150000                        |
| Piece(s) / pallet      | 398 mm                        |
| Depth of case          | 398 mm                        |
| Width of case          | 398 mm                        |
| Height of case         | 340 mm                        |
| Case volume            | 0.0539 cbm                    |
| Weight of product      | 0.001 kg                      |
| Weight of case         | 5.57 kg                       |
| EAN of inner box       | 4038917161688                 |
| EAN case               | 4038917554169                 |
